

# Ahmad Bin Abood Memorial State level Physics- Maths Knowledge Test

Organized by

Department of Physics

Department of Mathematics

**Milliya Art, Science and Management Science  
College, BEED (MS)**

---

## Introduction:-

We have always observed that our students are very afraid of the **Physics** and **Mathematics**. It results in that they are generally reluctant to opt for these subjects. This fear also results in that the students find difficulties to appear for competitive examination, because in such examinations they need to be good at mathematics and the logic that the knowledge of physics brings for them.

Hence, the dept. of Physics and Maths decided to take initiatives to generate the interest of Mathematics; to enhance the skill of opting the correct answer in multiple choices questioning; to motivate the students to increase their performance in education and to encourage them to accept the challenge of the competition in the educational field.

Till 2011, it was organized at regional level but since 2012 the activity has been conducted at State level. It is named after the Late Secretary **Ahmad Bin Abood** and thus entitled as '**Ahmed Bin Abood Memorial State level Physics-Maths Knowledge.**' Since then, it has been a routine activity.

Every year, before a month of this scheduled event, the college circulates the brochure reflecting norms and conditions for the student participants and other details.

The wide publicity of the event is made through the social media, e-mails and through surface mail also.

Notably, College serves complimentary lunch for the student participants, the teachers and parents accompanying the participants.

## Objectives:-

- To create interest in physics and mathematics among the students.
- To create understanding among students about the importance of Physics and mathematics.
