Action Taken on the Feedback on Curriculum during the year 2021-22

The Feedback Committee of the college collected the feedback on curriculum during the year 2021-22 from the students, teachers, parents and alumnae; the committee analyzed all the feedback and the Feedback Analysis Report was submitted to the IQAC.

The IQAC members had discussions on the Feedback Analysis Report and unanimously resolved as follows:

- The departments may take initiatives towards the implementation of Skill Development Programmes: Workshops, Trainings, Short Term Courses, Certificate/Add on/Value Added Courses, etc.
- Few Skill Development Initiatives may be taken especially for girl students: Value Added Course like Dress Designing, Jewelry Designing, Beautician Course, Mehndi Designing, etc. Workshops, Training may also be arranged for girls.
- Departments may take initiatives towards the development of Communication Skills and Soft Skills of the students. The Value Added/Certificate Courses in Communicative English and Arabic may be arranged.
- Certificate Courses towards the Personality Development of the students and Gender Sensitization may be arranged.

Handwritten signatures and dates are present below the text. The date 15-1-22 is written multiple times. The Principal's signature is at the top right, with the text "Principal Miliya Art's, Science & Mang Science College, Beed." below it. Other signatures are scattered across the page, some with names like "Shankar" and "Shankar" written below them.
